Meeting Log

Tyler Benson

- Completed Since Last Meeting
 - Linked Product pages with database
 - Linked admin pages with database
 - Reorganized issues with database, postgres
- Failed to complete
 - Making product pages beautiful
- Completing Before Next Meeting
 - Make the top product page the home page
 - Add Vision/Mission statement
 - Needs to be sticky column on left
 - Integrate the footer
 - Paragraph for a bio
 - Milestone 5 product test
- Roadblocks
 - HTML is not my forte
 - Have to wait for footer to be finished

Maureen Aubrey

- Completed Since Last Meeting
 - Got product pages linked up to have admin/ at the beginning and placed up on the final website.
 - Got the admin pages set up to be linked with the database properly
- What was suppose to be complete but not
 - Get the admin pages all working, one tab is not working
- RoadBlocks
 - Weird error that one has run into that I don't know how to handel
- What should be completed for next week
 - Finish admin pages to get bugs finished
 - Make bio
 - Make sure stock is not going below zero
 - Do milestone 5 for admin pages

Alex Kennedy

- Completed this week:
 - Category pages
- What did not get completed this week
 - Product page linked with admin on heroku
- Completing Before Next Meeting

- Link the product to the server
- Make the pages look a little bit nicer
- Tackle bugs from the Trello
- Contact Page

Rebecca Donohoe

- Completed Since Last Meeting
 - Continuing to try to get my part to look like the rest of our website
- What was supposed to be complete but was not
 - Still haven't gotten it looking like the website
- RoadBlocks
 - Traveling, lots of other homework
 - Struggling with getting it to integrate well, it doesn't quite look right
- What should be completed for next week
 - Hopefully I should have everything looking correct

Ahman Woods

- Completed Since Last Meeting
 - Login and checkout system almost complete
- Completing Before Next Meeting
 - Login and checkout system completed. Account management pages completed.
- Roadblocks?
 - Nothing so far

Colin Craighead

- Completed Since Last Meeting
 - Polished the cart page look
 - Added Id to the Json string for the cart
- What was suppose to be complete but not
 - Add a way to edit quantity on cart
 - Add a way to Delete items from the cart
- RoadBlocks
 - Make sure that my changes that work on my end are working for the whole project
- What should be completed for next week
 - Universal footer
 - Make sure there's no bug and everything is working properly on the cart
